

33' Club 2007

The third annual 33 Club presented by MLB.com celebrated with hosts Alyssa Milano and Jose Reyes of the NY Mets at the Galleria San Francisco Design Center. 1500 guests danced to tunes spun by DJ Vice and DJ Gusto and matching with the occasion, guests were surrounded with everything baseball themed. Throughout the night, models passed out hot dogs and Cracker Jacks, while athletes and MLB VIP's, alike tested their skills at one of the many gaming stations and speed pitch booths. The most talked about of the night were the aerialists' tissue, trapeze and hoop acts that hung from the fourth floor ceiling and the 1000 balloons that showered down festively upon the guests at midnight. This year's sponsors showcased at the event were SKYY vodka, Budweiser, Mastercard, Pepsi, Headplay, GGL, and Alyssa Milano's Touch clothing line.
