

Atelier Party

Tracy Kessler and the TK New York team planned a party to celebrate the grand opening of Atelier, Moinian Group's brand new luxurious condominium complex in Midtown, Manhattan. Outside, celebrities including hosts Nick Lachey and Vanessa Minillo and guest Lizzie Grubman walked down the red carpet. Inside, guests joined the hosts in the candle lit, flower accented lobby of the new building for champagne and hors d'oeuvres catered by Scoozie Events as DJ David set the mood for the evening.
