Meanwhile Jessica Simpson and Carmen Electra — who performed at the Kanye West-hosted *Stuff Magazine* party the night before at The Moore Building — got very cozy: “Jessica danced and drank shots with Carmen,” says an eyewitness, “and the two started grinding on each other.”

For Ricky Martin, getting to the VMAs was half the fun. “I took my own boat in,” he told *Star*. “I was here in 25 minutes. I live on the water not far from here.” Orlando Bloom, however, had car trouble, “They picked me up at the airport in a Hummer,” he says, “and I was like, oh no, I can’t take that. We tried to get a Prius, but couldn’t.” Avoiding the whole Hummer-Prius issue, Diddy arrived in a Bentley.
